

Yep...it's free and wireless!

(Brought to you by Ocean Lakes Family Campground)

What you need:

A laptop computer with a wireless card or bluetooth.

Where is it?

The Wireless Zone is located at the Camptown Center. The signal is available in the Meet n' Eat seating areas.

How to log on:

1. Turn on your computer.
2. At the bottom right where the clock is it should say "Wireless Network Detected".
3. Double click that balloon.
4. It will prompt you to choose a wireless network.
5. Select "Ocean Lakes"
6. It will start to connect
7. Your computer will indicate it is connected
8. Select your browser software (Explorer, Netscape)
9. Ocean Lakes' web site should show in your browser
10. If you need assistance or are having problems logging on, Time Warner offers 24/7 tech. support at 1-877-914-4422.
